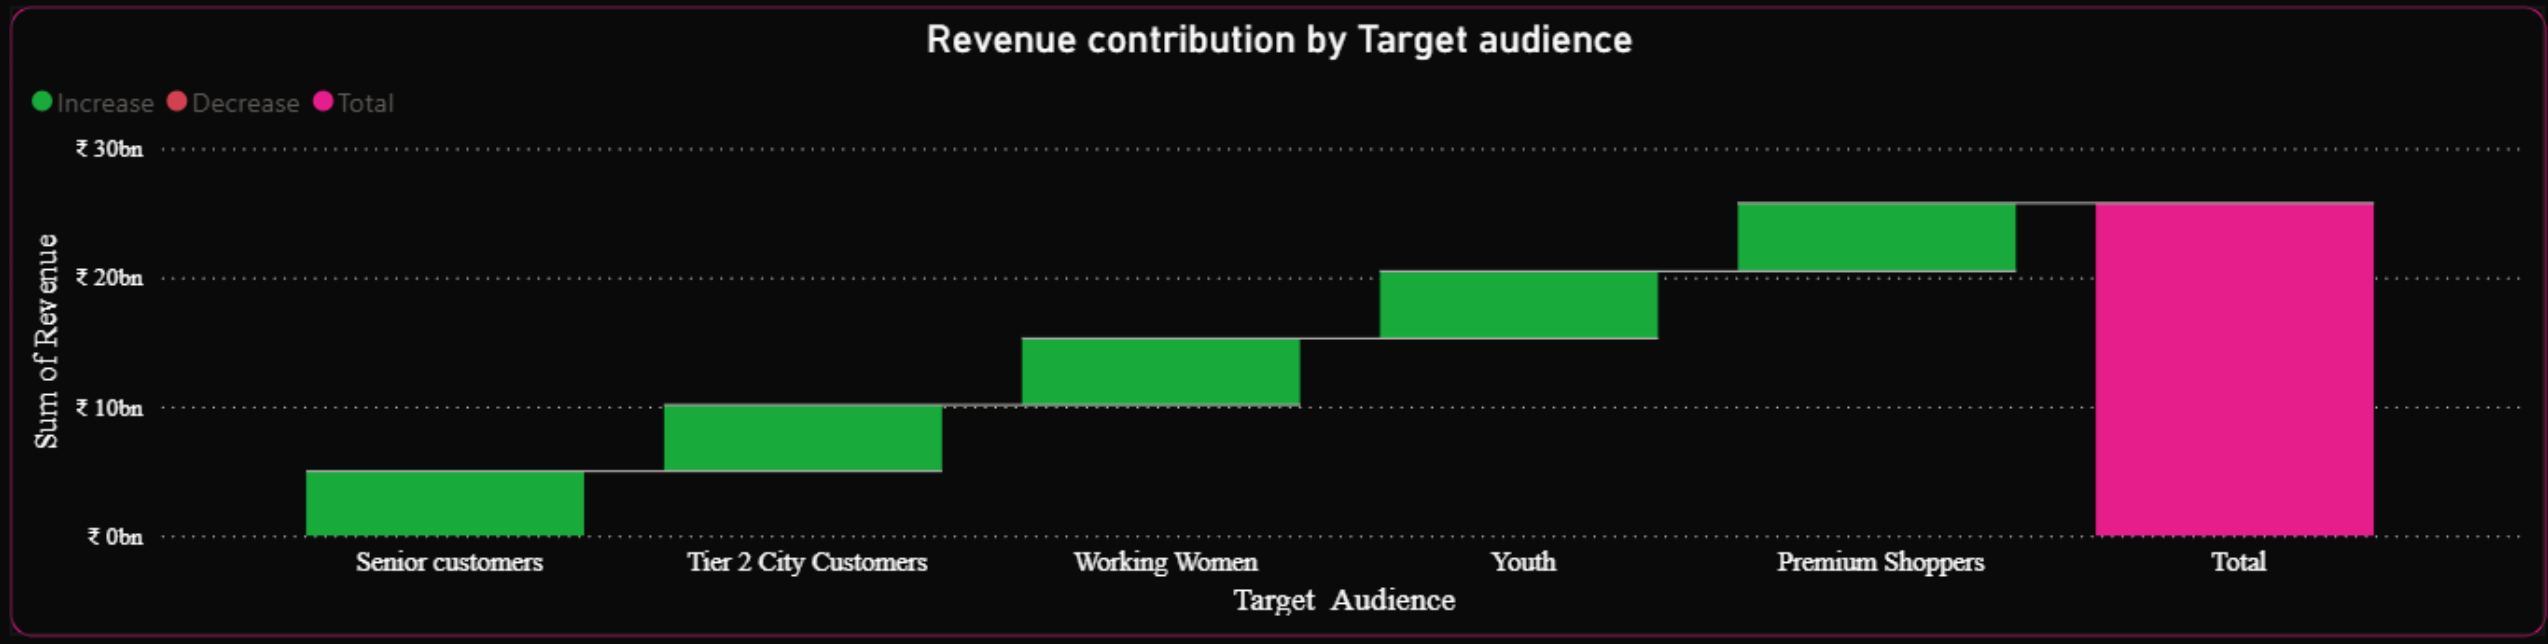
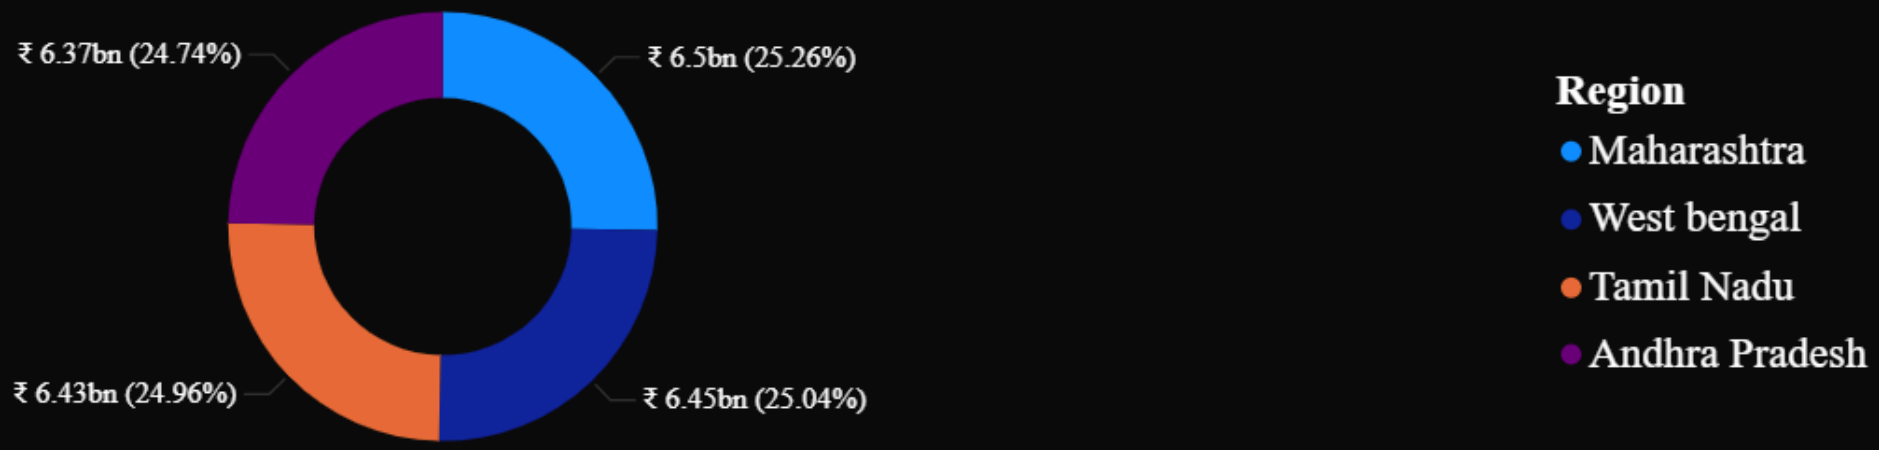
Customer Segment Analysis



Revenue by Region



Strategic Insights & Recommendations

Key Findings

- Conversions dropped 65% in June — needs investigation
- Premium Shoppers drive highest revenue at ₹25B
- Social Media shows lowest acquisition cost at ₹0.19
- Senior Customers show lowest revenue contribution
- All 4 regions contribute equally — balanced reach

RECOMMENDATIONS

- Investigate June conversion drop (align with campaign calendar)
- Increase Social Media budget (highest ROI, lowest cost)
- Launch dedicated Senior Customer campaign
- Develop Tier 2 City strategy (significant growth opportunity)
- Reallocate budget dynamically vs equal distribution
